

PERFECTION ISN'T ATTAINABLE, BUT WE'RE ALMOST THERE

Why choose **BENERI**[®]
original **KNURLED WASHERS?**

EASY AND EFFICIENT ASSEMBLY
thanks to optimal centering of internal
and external diameters

**EXCELLENT RESISTANCE TO
CLAMPING**
obtained through a special conical profile
and knurling on both bearing surfaces

ALWAYS-IN-STOCK

BENERI[®] original knurled washers
are available in **SPRING STEEL** with
Phosphate finish or Mechanical Zinc plating (which however may
reduce the tightening torque) and **STAINLESS STEEL AISI304/A2**

Please contact **BENERI SALES** team

We will be glad to suggest you the best finish according to your application.
